LICENSED PROJECT

The area is fully equipped with all infrastructure needed to enjoy the best quality of life that Marbella can provide. Natural surroundings, a peaceful environment, mild breezy temperatures and the most impressive sea views, are the main highlights of this exceptional property development.

The driving concept to design this project has been filling all living spaces with light and harmony.

NEKTAR is a uniquely stylish home covering a built area of 583 square meters on a generous plot at Altos de los Monteros.

Facing South orientation, the villa features four levels. Floor to ceiling windows allow for natural light in and the most breathtaking views, while 130 square meters of covered terraces make it difficult to choose which is the best spot to enjoy the inspiring perspectives.

The main terrace on the third level frames the equally stylish swimming pool and sunken outdoor seating pit.

This luxurious property has been designed with maximum care and full attention to detail.

Comfort, functionality and aesthetics join forces to make you feel its inner peace and tranquility, in full privacy.

A dream house come true with 6 bedrooms with 6 bathrooms (ensuite), 1 guest toilet, Lounge + dining room, Kitchen with dining, garage for 5 cars ,

Swimming pool, covered and uncovered terraces.
